

SCHOOLS (K-12 PUBLIC AND PRIVATE)

Greenville County School District

www.greenville.k12.sc.us/

www.greenville.k12.sc.us/district/schools/index.asp (School locator)

The Greenville County School District provides educational experiences in cooperation with the home and community that prepare students for lifelong learning and for ethical, productive participation in a democratic society and the global community. The school locator link leads to a list of schools by their type or level and then in most instances to the individual school's website.
