The bbq is this Fri, right?
Yes. Tina is bringing drinks. Are you coming with her?
I just heard Summer school is cancelled, so I'll be there
That's great! Hey, can you not bring up the LSAT this time. Let's just move on
You put your life on hold for her. It's time she recognizes that she's holding you back. Yeah, Yeah, she's a big time lawyer. But that's what YOU should have been.
Tyler, lighten up. Julie didn't "hold" me back. I chose to stay home with our family. If it doesn't bother me, it shouldn't bother you.
It won't after the BBQ
