Go to greenvillelibrary.org, hover over Learning & Research, and select Hobbies & DIY. Next, select CreativeBug. Sign in with your library card and PIN.* Search for the class you prefer: **Frida Kahlo Inspired Headband** or **Four-Leaf Clover Boutonnieres**. Press play and discover how to create this iconic floral headband (or boutonniere), using the provided supplies.

Tips:

- For the headband, have scissors and a hot glue gun (or other adhesive) available. For the boutonniere, you'll need scissors, a needle, and thread.
- Play with the color of the felt you've been provided. You can use any color you like for the petals!
- If you don't like the ribbon color in your kit, you can use any similarly-sized ribbon to cover the headband.
- The boutonniere class is for a green clover-style boutonniere, but using these vibrant colors of felt will still make it pop like a Frida Kahlo design!
