APPROVAL OF MINUTES
Mr. Hill called for the approval of the minutes of Board of Trustees Meeting, April 24, 2023, as presented. Mr. Baxter noted the need for a spelling correction on page two. Mr. Poore moved to approve the minutes as corrected. Mr. Hoard seconded. Motion carried.

BUILDINGS AND GROUNDS COMMITTEE REPORT
Mr. Poore provided an overview of the request for a cross easement that was received, related to the Mauldin Branch Library parking lot. He concluded that based on feedback from the Mauldin Branch Manager, Mr. Hester, Ms. James and others regarding significant concerns about traffic from the planned adjacent business cutting through the branch parking lot, the committee voted unanimously against the request. Following comments and questions, Mr. Hill asked for those in favor of the Buildings and Grounds Committee’s recommendation to vote in the affirmative. All were in favor.

OPERATIONS COMMITTEE REPORT
Mr. Pinkston stated that the Board approved revisions to the Display of Library Materials and Promotional Information Policy at the April Board of Trustees Meeting. He noted that of the 50 approved displays, ten...
displays included the same theme, giving an appearance that the Library System was being very one-sided in its use of displays. He stated that the Operations Committee met on June 16th and adopted the following motion:

"The Operations Committee believes the materials display policies that were put in place have proved to be inadequate to address concerns of both the community and County officials. Thus all material displays, other than displays of new materials, are to be removed within a week, and no new displays of materials may be mounted until further notice."

He stated that the committee, in conjunction with Library System Administrative staff and the Board are working on policies which will be fair, inclusive, and workable, toward displays that are attractive, engaging and relevant. He acknowledged that this was a tall order and may take several steps back before going forward. He proposed a bird’s eye view of possible steps that Administration could take during the coming months in working to develop procedures and processes related to displays.

Mr. Aufmuth moved to amend the Operations Committee motion by replacing “until further notice" with “for 60 days or until further notice." Mr. Baxter seconded. With a show of hands, five members voted in favor and five voted opposed to the amendment. As a result of a tie vote, the motion failed.

Mr. Poore moved to insert a period after “concerns" and to strike the remainder of the existing sentence which read, “of both the community and County officials." Mrs. Collins seconded. Mr. Hill called for a vote on the amendment. All were in favor and the amendment passed as presented.

Following discussion, Mr. Poore moved to replace “until further notice” with “for 90 days or until further notice.” Mrs. Odom seconded. All were in favor and the amendment passed.

Following discussion on the meaning of “display," Mr. Poore moved to remove the word "materials" where "materials displays" was written. Mrs. Collins seconded. All were in favor and the amendment passed.

Following additional discussion, Mr. Aufmuth moved to table the discussion. Mr. Baxter seconded. With two votes in favor of the motion, the motion failed.

Mrs. Collins moved to amend the motion by adding, “Displays related to Library events are permitted if approved by the Executive Director." Mr. Aufmuth seconded. All were in favor and the amendment passed.

Mr. Poore moved to adopt the committee’s motion as amended. Mrs. Collins seconded. The following motion passed unanimously:

The Operations Committee believes the display policies that were put in place have proved to be inadequate to address concerns. Thus all displays, other than displays of new materials, are to be removed within a week, and no new displays may be mounted for 90 days or until further notice. Displays related to Library events are permitted if approved by the Executive Director.

EXECUTIVE DIRECTOR’S REPORT

Ms. James stated that the Library System would be migrating to the new Integrated Library System and will need to close the Library System on Sunday, September 24th to go live on the new system when the Library System opens on Monday, September 25th. Mr. Hoard moved to approve the closure. Mr. Poore seconded. All were in favor and the motion carried.

NEW BUSINESS

Mr. Poore moved to authorize up to $25,000 in Contingency Funds for use at the Travelers Rest Branch on an as-needed basis. Mr. Baxter seconded. With none opposed, the motion passed.

Mr. Hoard moved to adjourn. Mr. Hill noted that members of the public had signed up to speak, so Mr. Hoard rescinded his motion.
