BUILDINGS AND GROUNDS REPORT
Amendment to existing covenants and encumbrances on East North Street property
Mr. Poore reported on the committee’s recommendation to authorize Ms. James to work with the property owner adjacent to the Library System’s East North Street property in finalizing proposed changes to existing encumbrances and covenants with the properties. He gave an overview of the proposed changes which would clean up old covenants that no longer apply and include some changes designed to protect the best interest of the Library System.

Following Mr. Poore’s report, Mr. Hill stated that he had asked for a copy of the proposed covenants and had one concern about a statement which he read aloud: “Without the prior written approval of Parcel II
Owner, Parcel I Owner covenants and agrees that it shall not directly or indirectly lease, use or permit to be used any stores or structures on Parcel I for the purpose of the retail (including discount) sale to the general public (and related office and storage facilities) of books, magazines, newspapers, recorded books, music, movies, videotapes, DVDs and similar items currently sold by the Friends of the Library (or similar or successor organization whose purpose is to provide financial and/or volunteer support for public programs and publications of the Greenville County Library System)." He noted his concerns about the clause which could be perceived as the Library System placing restrictions on a private land owner, and suggested removing the statement.

Mr. Hoard moved to remove the clause as read. Mrs. Collins seconded. All were in favor. Mr. Hoard moved to authorize the Executive Director to delete the clause as read by Mr. Hill and authorize Mr. Hill to sign the new amendment document. Mrs. Collins seconded all were in favor and the motion carried.

EXECUTIVE DIRECTOR’S REPORT

2024 Calendar Year Board of Trustees Meeting Dates
Ms. James referenced the Draft Board of Trustees Meeting Dates for Calendar Year 2024. In response to a question, she confirmed that a meeting was scheduled for November but not in December 2024. Mr. Aufmuth moved to approve the meeting dates as presented. Mr. Hughes seconded. All were in favor and the motion carried.

Temporary Suspension of Overdue Fines
Ms. James referenced information she had included in the Board’s meeting packet concerning the new Integrated Library System (ILS) software not assessing overdue fines in the manner expected, and then not assessing overdue fines at all due to a changed setting which was thought to have resolved the initial issue. She reported that some patrons had not been receiving notices which are critical elements of the Library System’s process of informing borrowers about the status of their library card accounts.

Ms. James stated that IT staff members were building a customized notice system by leveraging the open source nature of the new ILS software. In response to questions from trustees, Mr. Osteen provided information concerning thresholds in the third party vendor’s contract and the customized notice system, affirming the goal of having the customized notice system tested, and operational by January 29, 2024.

Ms. James requested permission to continue the temporary suspension of overdue fine assessment until January 29, 2024 to help mitigate the impact of lapses in communication with borrowers. Following discussion, Mr. Poore moved to approve Ms. James’ request. Mr. Aufmuth seconded. All were in favor and the request for temporary fine suspension through January 29, 2024 was approved.

APPEARANCES
Mr. Hill announced that two persons had signed up to appear before the Board. He stated that someone mentioned two books during public comments at the last meeting and his understanding was that those books were under review. He called on the following individuals:
