

GREENVILLE COUNTY (SC) LIBRARY SYSTEM CODE OF CONDUCT

The Greenville County Library System ("Library") strives to provide and maintain inviting facilities where individuals feel welcomed and valued. To promote orderly conduct and to help protect Library staff, patrons and property, the Library Board of Trustees has established behavior regulations.

All Library users, regardless of age, are subject to the Library's Code of Conduct. Behavioral regulations will be enforced by Library staff in a fair and reasonable manner. Parents and caregivers, not Library staff, are responsible for the actions and safety of children visiting the Library. However, Library staff and/or law enforcement officers are authorized to stop prohibited activities and behaviors.

Failure to comply with the Library's established regulations and policies may result in an individual's restriction/termination of Library privileges, exclusion from Library property for the remainder of the day to permanent exclusion and/or arrest/prosecution.

An individual excluded from Library property may appeal in writing to the Library Executive Director. Decisions of the Executive Director may be appealed in writing to the Library Board.

An individual receiving a *Trespass Warning Notice* wishing to appeal the notice must submit a request for a hearing to the Library's Board of Trustees within five (5) business days of receiving the written notice per the SC Code of Laws 16-11-625(A)(2)(c).
